## Terms & Conditions of Residence 2009 - 10

The following terms and conditions shall prevail when a Residence Hall Housing and Dining Contract is signed for room and board in the residences under the jurisdiction of the University of California, Berkeley. Please note that this is a room and board contract; room only contracts are only available for University apartments.

### 1. PERIOD OF RESIDENCE

**Please note that the contract is for the period of the 2009 - 2010 academic year which is made up of Fall and Spring Semesters.** The Fall and Spring Semesters 2009 - 2010, as defined by the official University Academic Calendar for graduate and undergraduate students shall constitute the period of residence, except for the semester break period, December 20, 2009 through January 12, 2010. Room and board fees are based upon the official University Academic Calendar. All residence halls will remain open for the Thanksgiving holiday and the Spring recess without dining service. Residence hall contracts signed for the Spring Semester shall be in effect for that semester only.

### 2. SEMESTER BREAK

**All residence halls will be closed during the Semester Break (12/20/09 - 01/13/10)** and all residents must vacate the halls upon commencement of the Semester Break on Sunday, December 20, 2009 by 10 am. Students are not allowed to reside in buildings during semester break due to energy curtailment. However, residents are allowed to leave their belongings in the halls over the semester break at their own risk. Students may move back into the halls beginning 8 a.m. on Wednesday, January 13, 2010

### 3. PAYMENTS

**The \$300 advance payment** must be submitted when you complete your room and board contract. The balance of the annual room and board fee may be paid in a lump sum prior to occupancy, or in monthly installments. Installment payments are due on the 15th of each month from August 2009 through May 2010. Ten installments will be shown on Campus Accounts Receivable System (CARS) e-Bill account on Bear Facts Student Information System; <https://sis.berkeley.edu/bearfacts>. Your account will indicate the specific date your payment is due. It is your responsibility to ensure that payments are received by the Campus Billing and Payment Office on time or you will be subject to late fines and other sanctions. These late fines and other sanctions will be shown on your CARS e-billing statement. Fees will also be assessed for any returned checks, and you are liable under Civil Code section 1719 for triple the amount of the check (a minimum of \$100.00 and a maximum of \$1,500.00) if you have not provided funds necessary to cover the check within 30 days following a written demand.

**Any additional miscellaneous charges**, which include damage or key replacement charges that may accrue on your account during a given month are payable in the following month. These charges will appear on the Campus Accounts Receivable System (CARS) e-billing statement. It is your responsibility to pay any charges that you incur. The same deadlines, service charges, and penalties apply to delinquent accounts as detailed above.

**If your account becomes delinquent**, it may be referred for collection with the assessment of collection costs, late fees, and any additional legal costs incurred in collecting the outstanding balance. Notwithstanding any referral to a collection agency, the University retains the right to serve any resident with a Three-Day Notice to Perform Covenant or Quit. In the event that you do not pay the required room and board fees by the established deadline, your contract may be terminated.

Should your account become delinquent, action will be taken to lapse your status, block registration, withhold the issuance of transcripts, and/or withhold meal service. If meal service is withheld, you will not receive a refund for missed meals due to sanctions. To prevent such sanctions, you should contact the Billing and Payments Office at (510) 642-3190 prior to the payment deadline. According to Federal policy, residents withdrawing from the University who are entitled to a housing refund may have a portion of the refund deducted from their refund check if they received any Federal Financial Assistance. The funds deducted from the refund will be returned to the granting agency.

### 4. FEES

**In case of late occupancy**, the room and board fee will be adjusted proportionately to the date when you actually move in, provided that the delayed occupancy has been approved in writing by Cal Housing Assignments Office. There will be no refund if termination of the residence hall contract occurs after December 1, 2009 for Fall Semester and May 1, 2010 for Spring Semester.

**The residence hall rates include a \$45.00 non-refundable fee.**

A portion of each fee is allocated to the Residence Hall Assembly and the balance is distributed to each hall association. Each hall association reserves some monies to cover the repair of damages in the common areas caused by residents or residents' guests. Damage charges in excess of the reserved amount shall also be billed to the hall association where individual liability cannot be established. Remaining funds will be used for activities, programs and/or improvements in each residence hall. For Spring Semester only contracts, the non-refundable fee is \$23.00.

**The University reserves the right to change the fees for room and board**, provided the announcement is made 30 days prior to the beginning of the academic year. An increase in fees may not exceed 5% of the fees quoted for residence halls for the Fall and Spring Semesters 2009 - 2010.

**The advance payment**, August, September, October, November and December payments cover the cost of residence for the Fall Semester as defined in the official University Academic Calendar. The January, February, March, April and May payments cover the cost of residence for the Spring Semester as defined in the foregoing calendar.

### 5. TELEPHONE SERVICE PROVIDED BY UNIVERSITY — RESIDENT TELEPHONE SERVICES

Each room (with the exception of Clark Kerr Campus) has one active telephone jack connected to the University's telephone network providing basic telephone service. A mandatory telephone service fee (\$50.83 per semester in 09-10, price is subject to change) is charged to all residents living in University housing. This charge is billed to your CARS account once each semester. For more information please visit <http://rts.berkeley.edu> or send an email to: [rts.berkeley.edu](mailto:rts.berkeley.edu).

Basic Resident Room Telephone Service covered by this fee provides the following services:

- Unlimited local dialing
- Individual Authorization Code (IAC) for long distance access
- Access to the emergency number 911 and other emergency services
- Associated taxes and surcharges

## 6. LIQUIDATED DAMAGES

Liquidated damages are imposed under certain conditions as set forth elsewhere in these "Terms and Conditions of Residence". The resident agrees that the noted liquidated damages are reasonable and are presumed to be the amount of damage sustained by the University because it is impracticable or extremely difficult to fix the actual damage.

## 7. TRANSFERS

Residents who wish to transfer from one room or residence hall to another may submit a transfer request to their Resident Director or Residence Hall Assignments Office. Upon written approval by the Resident Director or Residence Hall Assignments Office, transfers shall be made on a space available basis.

## 8. CANCELLATION OF RESIDENCE HALL CONTRACT

All requests for cancellation of a residence hall contract **MUST BE SUBMITTED IN WRITING TO THE RESIDENCE HALL ASSIGNMENTS OFFICE ON THE "RESIDENCE HALL CONTRACT CANCELLATION REQUEST" FORM**. This form is available at the Cal Housing Office located at 2610 Channing Way. THE RESIDENT REQUESTING CONTRACT CANCELLATION SHALL CONTINUE TO BE LIABLE FOR ROOM AND BOARD FEES UNTIL A REPLACEMENT IS FOUND AND/OR THE REQUEST IS APPROVED BY THE HOUSING OFFICE IN WRITING.

In the event of contract cancellation approval, the effective cancellation date will be the date of the University approval. Once a replacement is found, and/or the request for cancellation is approved, a Contract Cancellation Fee will be imposed as liquidated damages, and will be included in the billing statement. A \$150 contract cancellation fee will be imposed if the cancellation approval date is prior to occupancy and a \$300 contract cancellation fee will be imposed for cancellation approved subsequent to occupancy. The resident agrees that this fee is reasonable and is to cover estimated University damages, in addition to the daily room rate, which are difficult or impractical to determine. This liquidated damages charge shall be in addition to the prorated room and board fees for which the resident will remain liable until a replacement is found and/or the request for termination is approved. A Contract Cancellation Fee shall not be imposed in the following circumstances:

- Resident will graduate before the end of the contract term.**
- Resident has been denied admission to the University.**

Appropriate documentation must be submitted to the Cal Housing Assignments Office in the cases of graduation and non-admission.

## A. CONTRACT CANCELLATION • BY THE STUDENT

Contract cancellation will be approved for the following reasons:

**1. Graduation, withdrawal, dismissal, or leave of absence** from the University for verified academic or medical reasons with appropriate documentation.

**2. Marriage after execution of the residence hall contract** and upon presentation of the marriage certificate to the Cal Housing Assignments Office.

All other reasons for requesting cancellation of the residence hall contract will be reviewed on an individual basis and you are responsible for room and board fees until a replacement is found, and/or the request is approved. Requests for contract cancellation will not be considered until the cancellation is requested in writing and you have submitted the appropriate supporting documents.

## B. CONTRACT CANCELLATION • BY THE UNIVERSITY

The University may cancel the residence hall contract and all attendant rights of occupancy upon 30 days notice to the resident. You may be subject to a Three-Day Notice to Perform Covenant or Quit or a Three-Day Notice to Quit for any reason allowed by law, including the following:

**1. If you cease to be a registered student** as defined by the University's Office of the Registrar.

**2. If you violate the terms of this residence hall contract**, these "Terms and Conditions of Residence", provisions of "Bear Necessities, Guide to Living On-Campus," (see guide on-line at: [http://www.housing.berkeley.edu/student/Bear\\_Necessities\\_Guide.pdf](http://www.housing.berkeley.edu/student/Bear_Necessities_Guide.pdf)) or are found guilty of misconduct.

## C. CONTRACT CANCELLATION • NO OCCUPANCY

If you do not move in by September 2, 2009, for the Fall Semester and by January 24, 2010, for the Spring Semester without previously obtaining approval in writing from the Cal Housing Assignments Office of your intent not to move in, you will be liable for payment of room and board fees until a replacement is found, at which time your contract will be cancelled and a \$150.00 Contract Cancellation Charge will be imposed.

## D. FAILURE TO MOVE

If you do not vacate the residence hall by the designated move-out date and time, you will be liable for \$100.00 per day liquidated damages in addition to a prorated room and board fee until you actually move out.

## 9. DAMAGES

**Each resident is individually responsible for loss or damage to his/her room.** All residents of a residence hall, floor, or suite, under the University's discretion, shall be jointly and severally liable for loss or damage to common areas where individual responsibility cannot be determined.

**You will be given a Room Condition Report** at the time of occupancy and you will compare the actual condition of the room with that on the report, and note discrepancies, if any. Unless the report is returned to the residence halls staff within three days of occupancy, with exceptions properly noted, it will be assumed that the room and its contents are in the condition indicated on the Room Condition Report. At the end of the term, or upon vacating the room for any other reason, you shall be responsible for restoring the premises and

furniture to the same condition and location they were in at the time of occupancy. Reasonable wear and tear is expected.

## 10. CAL DINING

**Meal plan “points”** are the currency with which residents use their meal plans. Points have no tie-in or relation to an actual dollar figure. These points cannot be refunded or cancelled, even if you move out of the residence halls.

**Meal plan points are debited for each meal as follows:**

**Standard Plan:**

This is the standard residence hall dining plan and gives customers 2500 points to use within the academic year [1250 per semester].

**Premium Plan:**

The premium meal plan offers a higher discount for more points, giving customers 3000 points to use within the aca-

demical year [1500 per semester] at \$350 annually [\$175 per semester]. This plan provides a more comprehensive option, covering more meals, snacks and groceries.

**Additional points can be added at any time** to both plans at 110% value [for example, \$50 would purchase 55 additional points.]

Log in at:

[http://caldining.berkeley.edu/meal\\_plans\\_residential.html](http://caldining.berkeley.edu/meal_plans_residential.html).

**Each semester, 50% of the points are credited to your account.**

Should the student not use all the fall points, up to 100 unused points will carry over from the fall to the spring. Points will not carry over from academic year to academic year, therefore all points not used by the last day of the spring semester will be forfeited. Note: If you cancel your meal plan, your meal points will not rollover. Students use the points in all residence hall dining commons, campus restaurants or weekly produce stands.

**FOR ALL CONTRACTS SIGNED AND RETURNED WITHOUT A DINING PLAN INDICATED, the Standard plan will AUTOMATICALLY be assigned.**

The residence hall housing contract includes room and board. If the student cancel the housing contract, there is NO REFUND or CREDIT for unused meal plan points. Overusage of your meal plan points upon cancellation may result in additional charges to your CARS account.

Change meal plans by completing the "Meal Plan Change Request Form" at Housing Cashiers office or online change between January 1, 2010 to January 31, 2010. ## 15. MISCELLANEOUS

**The contract agreement does not promise or guarantee you an assignment to any particular room or suite in the residence hall or with a specific roommate(s).** The University may require you to

move to another room, suite or hall within the University's reasonable discretion. Any student residing in a room with special modifications or accessibility for persons with disabilities may be transferred to another room should the need arise for the modified room. In all instances except emergencies, reasonable notice shall be given. The University reserves the right to use all residence halls during the Semester Break as defined by the official University Academic Calendar.

**The University shall provide all utilities**, i.e. gas, electricity, water, refuse disposal, and elevator service, but cannot assume responsibility or liability for disruption of these services. Pursuant to Civil Code section 1941.1, the University is responsible for installing one usable telephone jack and for placing and maintaining the inside telephone wiring in good working order in residential dwellings. The resident remains responsible for the telephone and wiring between the telephone and the telephone jack. If there is a problem with the telephone service, the resident is required to notify the University's Residence Telephone Services office at 642-9053 (including business days, evenings and weekends) to arrange for any necessary repair between the telephone and the jack or wiring. If the resident does not report such problems to the University and incurs a cost arranging a repair, the University shall not be liable for reimbursement to the resident.

The University shall not be held responsible or liable for your possessions or accommodation if an assigned space is rendered uninhabitable due to circumstances beyond the reasonable control of the University, including acts of nature, e.g., flood, earthquake, and unusual weather conditions. The University also reserves the right to make special room assignments to accommodate those conditions.

Any waiver or non-enforcement by the University of any term or condition of this agreement shall not constitute a waiver of any subsequent breach of the same or any other term or condition of this agreement. Acceptance by the University of any rental payment after your breach of any provision of this rental agreement shall not be deemed a waiver of such provision or any prior or subsequent breach of any provision, other than your failure to make timely payment of the rental installment so accepted, whether or not the University knew of the prior breach at the time such rent was accepted. The residence hall contract is not transferable, nor can it be assigned to another student. You may not lease or sub-lease any space assigned to you under the residence hall contract.
